About Me

I am a dedicated and curious individual with a passion for technology and innovation. Currently pursuing a BE degree in Information Technology at PES Modern College of Engineering, Pune. I have cultivated a foundation in web development, MySQL. With a keen interest in designing and coding, I am eager to apply my knowledge in a practical setting. I am driven by a continuous desire to learn and adapt, embracing challenges as opportunities for growth. Seeking to contribute my skills and enthusiasm to impactful projects, I am poised to make meaningful contributions in the ever-evolving landscape of technology.
